

Your success is our ambition: we offer client-oriented services, an extensive investigator network, excellent OPL relations, prompt study progress and reliable quality assurance.

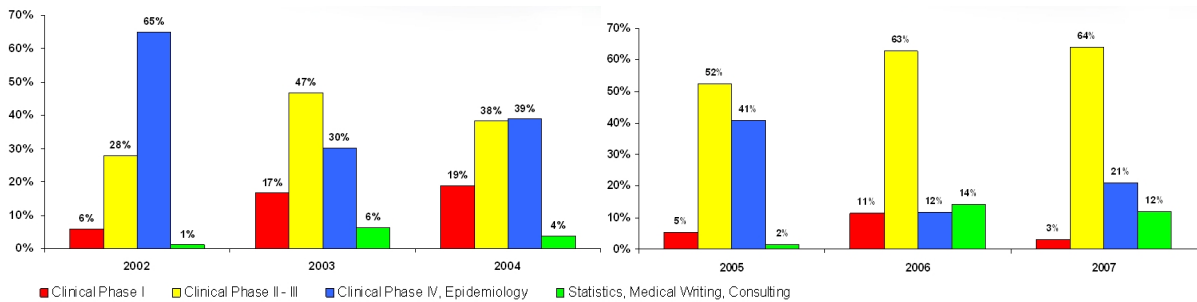

Combined Sales Clinical Research and Regulatory

Five Office Ltd as a Swiss CRO is located at the heart of Europe, but its activities radiate throughout all the countries of the EU. This requires knowledge of languages and acquaintance with the authorities, over and above clinical know-how. The Five Office s.r.o. affiliate in Bratislava covers niche indications and assures a timely recruitment of study subjects.

**Revenue per Activity Clinical Research**

Part of Business Phase I-IV
