Be a winner with Five Office Ltd !

Dear Madam, dear Sir

This year we celebrate the 30th anniversary of Five Office and we thank you heartily for the trust and loyalty you have shown to our company.

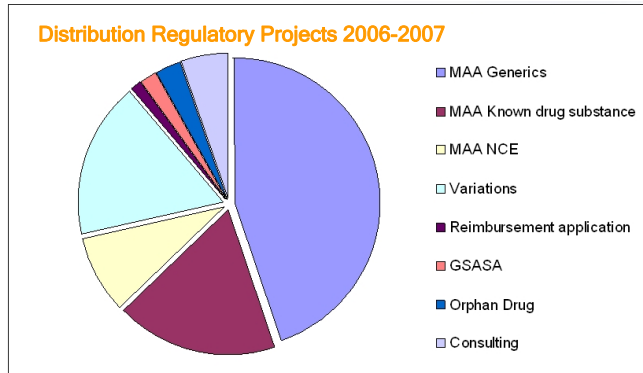

Are you also sometimes short of time or do you have the feeling that time is flying by so quickly that important jobs are left undone?
That is where we can help. Our experienced Regulatory Team will be pleased to support you. We can provide solutions tailored to your requirements in the following fields:

- Marketing authorisation applications (NCE, Fast Track, Orphan Drug), generic and biotechnological drugs
- Maintenance of authorisations
CMC variations type I and type II, clinical variations (new indications, new dose recommendations, new information relevant to safety), labelling variations
- Transfer of authorisations, change of the product name / authorisation holder
- Product information (SmPC, patient information, abbreviated prescribing information)
- Compilation of GSASA questionnaires
- Application for reimbursement by insurance companies (BAG)
- Strategic advice concerning national and international authorisations
- Support in pharmacovigilance
- Vetting of advertising material
- Provision of a qualified person / replacement

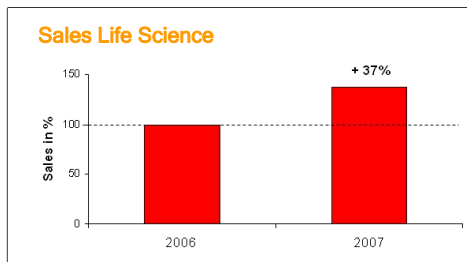

If you so wish, we would be pleased to provide support on-site at your premises.

Clinical Research, Regulatory, Health Marketing and Communication, 30 years of success for you

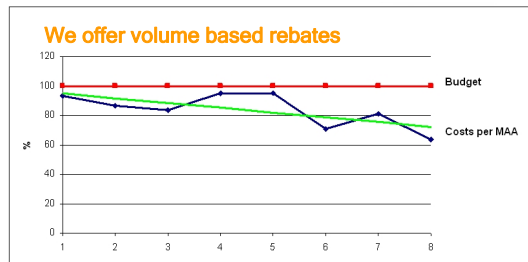

In the last 18 months - since the creation of the Regulatory department at Five Office Ltd - we have supported national and international pharmaceutical companies in all areas important for marketing authorisations:

Your success is our ambition and you can rely on our budget estimates and our volume based special conditions.
